# *Please Help !!!*

Canada Heights, Swanley, Kent

SUNDAY 28<sup>TH</sup> MARCH 2009

## YOUR CLUB NEEDS YOUR HELP

Dear Sidcup Member.

**YOUR club will be running the first round of the 2010 Maxxis British Sidecarcross Championship and the first round of the 2010 South Eastern Centre Motocross (SEMX) Championship and I would like you to get involved.**

**While this isn't a Maxxis solo round we have lots of annual fencing renewal, repairs to do and some track changes in the "orchard" to do and we need your help So come along to a working party and lets make it happen together.**

Working parties will be at Canada Heights on the weekends detailed below leading up to the big day. All working parties will start around **9:30 to 10:00am** and usually carry on to dusk. We don't clock in or out, so part of a day is better than nothing at all.

*The Club will supply all workers with free hot and cold drinks plus food for lunch.*

All those who attend at least 3 working parties will not have to pay for their entry to the closed to club mx practice day in April 2010. That's right, you get a **FREE RIDE**.

It will be useful to know in advance which working parties you will attend, so we can ensure there is enough food to go round. However, there will always be extra for those who come without letting us know!

To find out more and to tell us which dates you will be there, please phone or email to
