

Final Instructions

The paddock will be at the top of the hill, with signing on in the container on the left.

The trial will consist of **THREE** of **13** sections per lap - provided we get sufficient observers.

Sections will be clearly numbered - please make sure you visit each one on all four laps. Because of the "compact" nature of Canada Heights, awards have been missed by bypassing a section by mistake.

IMPORTANT NOTES:

- No machines are to be ridden before that rider's actual start. Engines may be started for warming up, but **NO** riding, except to the start by the shortest route.
- All riders must wear crash helmets while riding between, and in sections.

Our next two Trials at Canada Heights are

The 20th annual

JACK THOMPSON BRITISH BIKES TRIAL

on Sunday 6th December

Regulations are in the November "*Sporting Motorcyclist*"

The 73rd annual

SIDCUP SIXTY TRIAL

on Sunday 17th January 2010

Regulations will be in the December "*Sporting Motorcyclist*"
and on the Sidcup Website, www.sidcupmotorcycleclub.co.uk
Classes for modern bikes (*Expert to Novice*); Youth A and B only

As is our Sixty policy, late entries will **not** be accepted,
and definitely no entries on the day.

WANTED - **Observers for this meeting!** Sidcup is not over-stocked with trials members so if riders can persuade their family, friends or fan club to wield an observers card we will be eternally grateful. Could they make themselves known at the signing on desk by 9:30am please? If we can't get sufficient observers, sections will have to be cut out, resulting in queuing for all of you. Please help us if you can!
