Sunday 25th August 2019

The 'finish order' is the order in which riders passed the check after the 3-hours.

Rider number 115, Matt Street, was excluded for course cutting - right in front of the Clerk of the Course.

Rider number **373, George Bryant**, has been awarded three laps as he spent about 45 minutes chasing potential bike thieves on "their" quad (which was probably someone else's a short time ago.)
