

SIDCUP AND DISTRICT MOTOR CYCLE CLUB
The FOURTEENTH SIMMONS CUP TRIAL

Sunday 11th March 1951

Starting from the Hare and Hounds, Flimwell at 10:30 a.m.

Report in the April 1947 issue of the Sidcup Club monthly magazine, "The Compass"

For our own Group Trial, we were blessed with some really superb rain the night before and it nearly managed to wash our course away altogether. But we did manage to run an event that most people seemed to enjoy.
