The 'Spirit of Timber Woods' Troph

The winner of the "Spirit of Timber Woods Trophy (for what the Clarke/Woods family decide would have put the biggest smile to Timber's face) is number 47, David Streets, the Sidcup Club's most 'senior' member, riding a 350cc A.J.S. He first rode the Timber Woods LDT in 2006, also riding a 350 A.J.S. Same bike, David?

Update on David's A.J.S. thanks to Ted Bunton. David reluctantly bought the trials AJS in 1963 in his scrambling years. It had its first rebore a few years ago and David bought the next piston size ready for another rebore - many years from now! David is just ten years and five months younger than the Sidcup Club - you will have to research the age of the Club to find out more!

We are obliged to put notices at the end of byways and to inform local residents of our event. If you use any part of the route for future 'casual' trail rides, please be aware that there may be walkers, horses, tractors, 4x4s, other trail riders on the byways, and all of those plus cars, trucks on the country lanes.
