

# The 2004 SIDCUP 30 TRIAL

25<sup>th</sup> April 2004

Permit number C30471

Canada Heights, Button Street, Swanley, Kent

## Note in the Programme

Welcome to Canada Heights for the third running of our Sidcup 30 trial. Our 'top of the range' trial has attracted the best riders from the South Eastern Centre, plus several from surrounding ones, so word is spreading.

Clerk of the Course, Reg Playfoot, has been at work with his JCB and made some challenging sections for the four classes of riders, which include Twinshocks for the first time.

There's more prize money than 2003 and we thank Inta Trialsport of Maidstone, Stevens Trials of Bexley and Bultaco UK for their generosity. Please support the firms that help the sport when you are buying bikes and bits.

The Sidcup Club provides events for all grades of riders. A look at the trials calendar shows trials for Beginners and Wobblers, the North Kent Trials Combine, Long Distance trailers and the long established Sidcup Sixty. Back this year is the Sidcup Sidecar Trial – so long as enough of them wake up and enter!

Have a good day and please stay to the prize presentation at the end to applaud the deserving winners.

Peter Burrell, President, Sidcup & District M.C.C

At the end of the trial, riders were asked to write on a 'comments sheet'.

Some of them were....

- Very interesting; different, enjoyable, hard.
- Very good trial – maybe too many queues due to Experts having the Stop Rule. Also, maybe a bit short – needs a 4<sup>th</sup> lap.
- Very good trial, different, enjoyable and well set out.
- Excellent trial. A complete third route would have been better for Twinshocks and Inters, with the blue route being slightly harder for Experts.
- Great trial; just right for Twinshock. Weather good too!
- Excellent day.
- Best one yet.
- Superb trial – thank you for all your efforts.
- Reg [Playfoot} needs shafting by all of us!
- Best trial of the year, yet again.
- Excellent trial, thank you for your hard work!
- Very professional – well done.
- Brilliant trial – good being different
- Great trial – coming back next year.
