

The June Canada Heights Motocross

The third round of the 2025 British Sidecar Cross Championship
The second round of the 2025 Sidcup Club Motocross Championship

Sunday, 1st June 2025

Entries using **GORACEMX** accepted up to and including
Saturday 24th May

More riders please! If you were at last Sunday's Motul British Motocross Championship, you will have seen that the track shape has been amended from that of the MX Practice and the April Motocross.

Before the 1st June, the take-off ramps of jumps will be eased to make them more 'user-friendly'. There's no reason now for anyone not to enter now!
